SALE OF GALLNUT.

The undermentioned quantities of Arsikere Gallnut will be resold by public auction under the following conditions at the following depot by the District Forest Officer, Hassan Division (from 2 to 5 P.M.), on the date and place noted below —

Serial No.	Name of Depot	Description	Quantity	Date and place of sale	Remarks
1	Arsikere ..	Gallnut ..	500 maunds (more or less).	Arsikere, 30th May 1939.	The whole quantity as one lot or in small lots as the purchasers may desire.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale, but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of products in small quantities, full value thereof will be accepted if tendered on the spot and the payment of deposit in such cases will not be insisted upon.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the quantity bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such produce and of having accepted the terms of the sale as herein specified. The sale is subject to the confirmation of the Conservator of Forests, Shimoga.

5. After conclusion of the sale, each purchaser shall pay 25 per cent of the amount in cash including the original deposit to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-fourth value. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government, and the officer conducting the sale shall be at liberty to resell the produce purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Act. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment or value, where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold produce and the amount still due from him will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded.

7. The full value of all products purchased shall be paid for within eight days after the date of notice of confirmation of the sale. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

No extension of time will be given for the payment of any amount, but if any amount is permitted to be paid after the due date, interest will be charged thereon at 9 per cent per annum.

8. If the amount is not fully paid for by the purchaser before the date fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the product not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-fourth value in clause 5 *supra*.

9. No produce shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the product is knocked down to him at the time of sale, excluding the 25 per cent deposit paid for the lot at the time of the sale, and no produce shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot.

10. The product purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 30 days after the dates fixed in clause 7 *supra*. Products not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the product is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of product purchased has been paid for and the product fully removed.
